roundup

A stacked bar chart titled "soil" comparing two categories. The left bar is taller than the right bar. Both bars are composed of several colored segments. The left bar has a large orange segment, a blue segment at the top, and a green segment below the orange. The right bar has a large orange segment, a blue segment at the top, and a green segment below the orange. The segments are colored blue, orange, green, purple, brown, yellow, light blue, pink, and grey.

Category	Blue	Orange	Green	Purple	Brown	Yellow	Light Blue	Pink	Grey
Left Bar	15	75	10	5	5	5	5	5	5
Right Bar	15	65	10	25	5	10	10	10	5
